

T Level in Management and Administration - Team Leadership and Management

Location	Altrincham Campus
Course Type	College 16-18
Department	Business & Law
Start Date	Tuesday 1st September 2026
Course Code	AFP-BU3T-1400

Course Overview

This T Level in Management and Administration is a two-year technical study programme, designed with employers to give young people the skills that industry needs. The T Level is equivalent to 3 A Levels and will provide a mixture of technical knowledge and skills as well as a relevant industry placement. On completion, students will be able to choose to move into a skilled occupation in any sector within an administrative and managerial role and prepares students to enter through employment or as an Apprentice at a Higher Level. Furthermore, the completion of this qualifications gives students the opportunity to progress onto Higher Education courses and training at Degree Level.

Course Requirements

5 GCSE's at grade 4 or above including maths and English Language.

What You Will Learn

Students who study a T Level in Business with us will:

Develop Technical core skills, behaviours and knowledge to work in a Leadership and Management role through class-based learning to achieve a technical qualification that is the equivalent to 3 A Levels.

Be able to apply skills and knowledge of Business Leadership and Management procedures/skills in an industrial placement and work with partnership employers who will support employer-based project work.

Further develop their English, Maths and Digital Skills throughout the two-year course.

Develop their own research and analytical skills, use of variety of sources of information, problem solve and investigate to make reasoned conclusions, communicate those conclusions and become solutions focused.

Work independently and collaborate with others.

Assessment

Assessment is externally set in the form of 2 written exam papers at the end of the course (synoptic in nature to test core Business knowledge).

Successful completion of an employer led project to test employability skills.

Successful demonstration of specialist Business Leadership skills (completion of set tasks) will also form part of the assessment to achieve this course, observed by assessors in class.
