Course Overview

This course is perfect for individuals who already have a basic understanding of sewing and want to take their skills to the next level. It offers an opportunity to refine techniques while exploring creativity and design in greater depth. Through practical projects and guided instruction, participants will gain confidence in creating unique, well-crafted pieces that reflect their personal style.

For all classes;

- You will need a sewing box with basic equipment.
- You will need to bring your own machine.

Course Requirements

There are no entry requirements. We welcome individuals with a genuine enthusiasm for the subject and a willingness to actively engage and contribute.

What You Will Learn

The course will accommodate varied abilities, including beginners.

Decode Patterns with Ease - Build confidence in reading and interpreting sewing patterns like a pro.

Explore Fabrics & Tools - Understand the materials and equipment that bring your ideas to life.

Create Your Own Masterpieces - From stylish garments to unique crafts and home dcor, the choice is yours! Learn at Your

Own Pace - Pick a project that inspires you and progress in a way that suits your style.

Master Your Machine - Unlock the full potential of your sewing machine and equipment to achieve intricate techniques and stunning designs.

Assessment

There will be no formal assessment. Students will receive helpful feedback throughout the course.
