Course Overview

Wellbeing through art is a powerful way to nurture mental, emotional, and social health. Engaging in creative activities such as painting, drawing, or crafting allows individuals to express feelings that may be difficult to articulate with words. Art provides a safe space for self-reflection, stress relief, and mindfulness, helping to reduce anxiety and improve overall mood. It fosters a sense of accomplishment and can strengthen community connections when shared in group settings.

Course Requirements

No formal entry requirements-just a passion for art and a love of creativity.

What You Will Learn

You will get individual guidance and instruction on the crucial elements needed in creating artwork, such as.

- Line and Detail
- Composition
- Perspective
- Scale and Proportions
- Light, Tone and Texture

.and much more. We will be using a variety of materials to work with, so you can start to build and or enhance your art portfolio.
