Start Date	Tuesday 1st September 2026
Course Code	MFP-ML2C-1100

Course Overview

If you are hoping to study an advanced Vocational or T Level qualification but are concerned you will not get the grades you need, we have created a new one-year programme for students who do not quite meet the entry criteria for their chosen course or do not feel prepared to start at Level 3, this vocational foundation will prepare you for your next steps.

The Vocational Foundation Programme will prepare you for the future and provide you with a direct progression route onto the full two-year advanced Vocational Programme of your choice, allowing you to begin your career journey.

We offer a range of levels that you can start your course at, depending on the grades you get at GCSE. The Foundation Programmes are designed at Level 2, a one-year programme to prepare students for Level 3 study and a career in their chosen sector. As part of this tailored programme, you will receive individualised support and opportunities to prepare you for your next steps. The course is made up of:

- Maths and English
- Health and Social care
- Creative Media
- Business and It skills
- Employability Skills
- Work Experience
