Level 2 Diploma in Bricklaying

| | |
|-------------|----------------------------|
| Location | Stockport College |
| Course Type | College 16-18 |
| Department | Brickwork |
| Start Date | Tuesday 1st September 2026 |
| Course Code | SFP-BR2D-1100 |

Course Overview

This course is designed to better your understanding of the principles of building construction, how to produce cavity walling and building solid walls as well as isolated and attached pillars. You will develop good health and safety practices, learn how to interpret technical drawings, set out masonry structures and construct cavity walls to form masonry structures - all whilst learning to work with other trades.

Course Requirements

4 GCSE's at Grade 3 or above (including English and Mathematics).

Applicants must have successfully completed a Level 1 Bricklaying course.

What You Will Learn

You will learn, develop and practise a variety of skills to enable you to build, repair and maintain brickwork.

Assessment

You will be assessed on your practical ability to national standards and your theoretical knowledge will be tested by both paper and online exams.

Progression

Successful completion of this qualification will provide you with the knowledge and skills required for either progression into employment or onto a Level 3 Bricklaying Course.

Career Options

Obviously you could be a bricklayer, from which you could then specialise in a particular type of bricklaying like heritage work or stonemasonry. Also, down the line, you could even become a construction site manager.

Mandatory Units

Health, Safety & Welfare in construction
Principles of building construction
Information and communication
Building solid walling
Isolated and attached piers
Interpreting working drainage to set out masonry structures
Construct cavity walling forming masonry structures
