Level 3 Diploma in Bricklaying

Location	Stockport College
Course Type	College 16-18
Department	Brickwork
Start Date	Tuesday 1st September 2026
Course Code	SFP-BR3D-1100

Course Overview

This course is designed to cover the full range of topics and tasks to meet industry standards. All practical activities are carried out within our state-of-the-art workshops with theory work being a mix of classroom and assignment activities.

The course consists of units which assess the competence of a candidate over a wide range of activities. There will be a high emphasis on Health and Safety and correct working methods.

Course Requirements

4 GCSE's at Grade 4 or above (including maths and/or English Language)

Level 2 Trade Diploma

What You Will Learn

On this course, you will learn, practise, and develop the different skills that are needed for employment or progressing your career in bricklaying. Areas that will be covered include working on a construction site, setting out structures and performing building work of a complex level.

Assessment

Practical assignments and online multiple-choice tests for each unit

Progression

From here you can progress to a higher level qualification, such as a HNC, which can allow you to eventually climb to the level of site manager. You could also just go into employment, as this qualification is sufficient by itself to obtain certain roles.

Career Options

Obviously you could be a bricklayer, from which you could then specialise in a particular type of bricklaying like heritage work or stonemasonry. Also, down the line, you could even become a construction site manager.

Mandatory Units

Conforming to general health, safety and welfare in the workplace
Erecting masonry structures in the workplace
Confirming the occupational method of work in the workplace
Confirming work activities and resources for an occupational work area in the workplace
Erecting complex masonry structures in the workplace
Setting out complex masonry structures in the workplace
Developing and maintaining good occupational working relationships in the workplace
Setting out masonry structures in the workplace
