Course Overview

If you are keen to start to work in accountancy and financial management, our Level 2 course will introduce you to the basics of the industry. You will have weekly sessions on site as well as online resources to support your learning for the day time classes.

Course Requirements

You must be aged 19+. You will be asked to complete an initial assessment to ensure your numeracy and literacy skills are sufficient to do well on the course. You should be working towards a minimum of level 1 for both Maths and English to commence the programme. You must have access to a computer/laptop at home supported by Wi Fi.

What You Will Learn

The course will help students develop an understanding of the basics of bookkeeping. This will include transactions and controls and also how organisations keep a record of costs and how to use accounts software for recording and processing transactions.

Assessment

This course is assessed through computer-based exams and a synoptic assessment, which draws on and assesses knowledge and understanding from across the qualification.
